Professor of Pediatrics

# Scientific Program

25<sup>th</sup> November 2021 ( physical )  
26<sup>th</sup> November 2021 ( virtual )  
Grand Nile Tower Cairo, Egypt.

# Welcome Message

Dear Colleagues and Friends.

On behalf of the Pediatrics Update Conference, we would like to invite you to attend the 2nd Annual Conference in Cairo, Egypt, convening from November 25-26 2021. The conference will be at Grand Nile Tower. Grand Nile Tower is located in the heart of Cairo's city center along the banks of the River Nile of the majestic city Cairo.

The 2nd Annual Pediatrics Update Conference will highlight Back to Basics "case based approach"

- |                |                     |                  |
|----------------|---------------------|------------------|
| 1. Neonatology | 2. Gastroenterology | 3. Nutrition     |
| 4. Cardiology  | 5. Pulmonology      | 6. Dermatology   |
| 7. Vaccination | 8. Antibiotics      | 9. Endocrinology |
| 10. Diabetes   | 11. Neurology       |                  |

The meeting will include many eminent professors and consultants from all Egyptian .

Arab universities Canada, USA ,UK, National Research Center, Ministry of health, Healthy insurance authority, Teaching hospital authority and Military and Police academy .

Clinicians from around the globe to share clinical care experience paradigms with a multi-disciplinary audience of attendees, in addition to the expectations for great discussions in Pediatrics.

We welcome the experienced as well as those continuing to get experience in pediatrics care from around the world, with backgrounds in the field of child life care.

Our goal is to promise our pediatrician to promote, update pediatrician knowledge practice and care.

Tomorrow will be better than today.

Please come to Cairo to exchange experience with us and enjoy the flavor of science !

Sincerely,

**Professor Sameh Tawfik**

Professor of Pediatrics
